

25 YEAR RE-REVIEW

28 March 1949

STAT

Here are two copies of the forms I mentioned Saturday night. If you will have the applicant fill them out fully and return them to me at CIA (2430 E Street, N. W.), I will see that they get to the proper place. We can then arrange for an interview with the personnel people when you come up.

I do hope we shall be able to have lunch together.

Very truly yours,

Lawrence R. Houston
General Counsel
